Pinecrest Elementary School

At Pinecrest, we value learning, engagement, collaboration, and communication. These tenets help guide both the learning in classrooms, as well as our collective work as professionals. We strive to create a learning environment where students, staff members, and families all feel connected! Developing our students as thinkers, problem solvers, team players, and compassionate, caring individuals is evident on a daily basis. Our teams work collaboratively to plan engaging lessons, reflect on student successes and challenges, and work diligently to meet the individual learning needs of our students. Our families have loved joining us for family nights focused on reading, STEAM, community services, and community building. As you will quickly see, Pinecrest is a great place to learn!

WE'RE A GREAT SCHOOL:

- 4th graders learn about organizations that support others and then take action to make a difference!
- Annual Family nights include: Movie Night (Nov.), Community Service (Dec.), Bingo! (Jan), Reading (March), STEAM (May)
- Our annual carnival is a great way to wrap up a successful year on the last Friday of school!
- Students love being a part of the Pinecrest choir, Running Club, and Geography Bee.
- Our staff value collaboration!
- Many of our students have parents and grandparents that also attended Pinecrest!
