# Christa McAuliffe Elementary School

Welcome to Christa McAuliffe Elementary School! We have an amazing school that focuses on our students' needs. The ability to see the whole child and develop learning goals specific to each child is a definite area of strength. Our wonderful teachers embrace the opportunity to meet the unique needs of all students. Our families have recently enjoyed evenings exploring science, watching movies, experiencing One Nation-Many Celebrations event, family picnics, and many more activities. We pride ourselves in being an inclusive school that helps each child and family feel welcomed to be a part of our school community. We look forward to seeing you soon!
